

Self Service 3.7.0

Date	May 15, 2018
Issues	0 issues

Summary

Bug fixes and small improvements to various modules.

Important highlights from this release

1. Added email to the raw data report for the **Fitness Center Check-In** module.
2. Added the schedule for each job displayed on the job steps screen in the **Code View** module.
3. Added a link to Google Voice for **Resident Life**.
4. Self Service now redirects unauthenticated users through the login route, instead of the logout route.
5. Fixed a bug that produced an invalid state exception when a user with an invalid state attempted to use Self Service resources.
6. Fixed a bug with the **Code View** module that parsed stored procedure names incorrectly.
