

# Self Service 2.8.0

Date	Feb 19, 2018
Issues	<a href="#">0 issues</a>

## Summary

Tours have been added to many Self Service applications to assist with application usage. To activate a tour, look for the **Tour this Page!** button in the footer of the page you are viewing. Clicking this button will begin a guided tour for the particular content you are viewing, highlighting important aspects of the page. This update also includes minor improvements and bug fixes.

## Important highlights from this release

1. Changed the location the branding image is sourced from.
2. Added a tour to the Self-Service menu.
3. Fixed a bug in the **Room Calendar** application. Now, when hovering over an event in the calendar view, the mouse cursor turns into a hand, indicating that it is clickable.
4. Added a tour to the **Admissions Application Management** application.
5. Added a tour to the **ASC ASC Check-In** application.
6. Added a tour to the **Resident Life Dorm Student Lookup** application.
7. Added a tour to the **Admissions EBB Feed Builder** application.
8. Added a tour to the **Special Access Applications Employee Info Search** application.
9. Added a tour to the **General Applications Employee Setup Request** application.
10. Added a tour to the **Records Faculty Evaluation Pull** application.
11. Added a tour to the **Fitness Center Fitness Center Check-In** application.
12. Added a tour to the **Resident Life Housing Application** application.
13. Added a tour to the **Admissions Inquiry Import** application.
14. Added a tour to the **General Applications MAC Address Registration** application.
15. Added a tour to the **Records Program/Course Assignment** application.
16. Added a tour to the **General Applications Room Calendar** application.
17. Fixed display bugs in the **Fitness Center Fitness Center Check-In** application.
18. Fixed display bugs in the **Financial Services Run Statements** application.
19. Refactored the **General Applications Room Calendar** search process to be more unified and adaptable to future expansion.
