

An Overview of myMBU

This is the central hub for accessing MBU resources as a student or employee. From here you have access to a variety of resources and websites to assist you.

Accessing myMBU

To access myMBU, navigate your web browser to <https://mymbu.mobap.edu/> and log in using your MBU email address and password.

You will be presented with a dashboard of the resources described below.

On This Page

- [Campus Labs Resources](#)

myMBU Learn (Canvas by Instructure)

- Allows students and faculty to engage and communicate with each other about course assignments, expectations, and learning opportunities.
- <https://mobap.instructure.com/>

myMBU Life (Calendar by Localist)

- Find and organize campus events using our easy-to-use online calendar.
- <https://calendar.mobap.edu/>

myMBU Access

Students

- Access information about transcripts, financial aid, and billing.
- View your course schedule and grades.
- <https://portal.mobap.edu/student/login.asp>

Faculty/Staff

- Permits access to employee information such as the Policy & Procedure Manual, Personnel Handbook, Expense Report, and Purchase Order forms. Click on **Employee Forms and Resources** for more.
- Allows faculty to record attendance and grades for classes.
- <https://portal.mobap.edu/faculty/login.asp>

MBU Email

- Your MBU email address will be the main way you will receive communication from students and other employees. Our email is hosted at Microsoft Office 365, and provides you with many features and benefits.
- <https://outlook.office.com/>

Self Service Resources

- The Self Service administrative portal provides access to multiple resources and tools for both MBU students and employees.
- <http://selfservice.mobap.edu/>

Campus Labs Resources

- Faculty and certain staff will utilize the Campus Labs resources for initiatives involving Academic Affairs or Student Affairs. Most commonly, faculty will use these tools to review course evaluations.
- Students will use these resources to take their course evaluations.
